FinTED Webinar

Research-Practice Partnerships

Date & Time

23 November 2026, 13.00-15.00 (Helsinki, UTC+2)

Registration link

Zoom-registration

Description

In teacher education, fostering a strong connection between theory and practice is essential. Strengthening the circulation of research and making research-based thinking visible in everyday teaching create significant opportunities to enhance pedagogy and professional growth.

This webinar explores structures, formats, and collaboration models of teacher education that can both mitigate challenges and leverage the opportunities they present.

Presentations

The theory-practice lag: leaving the gap behind

Professor A. Lin Goodwin, Boston College

ULF - Practice-Based Research in Collaboration

Professor Emerita Elisabet Nihlfors, Uppsala University

Affiliated Researcher Sebastian Björnhammer (National ULF-coordinator), Linköping University.
