Future Living Environments

LÄMMITTELYTEHTÄVÄ

1. **Think about what your living environment will look like in the future. Find two pictures that answer these questions:**
   - **What scares you about the future?**
   - **What gives you hope for the future?**
2. **Give titles to the pictures and upload them to the learning platform.**

KIELITAITOTEHTÄVÄ

1. **Practice using the future tense in English with the help of the box below.**
2. **Write a description for the pictures you chose using the future tense:**
   - *Governments will not act fast enough to stop climate change.*
   - *Young people will create a cleaner and safer world.*
3. **Present your pictures to the group in English.**

FUTURE TENSES

will + pääverbin perusmuoto	*People will use more electric cars.* *There will be fewer green parks.*
be going to	*We are not going to solve the plastic problem soon.*
kestopreesens	*Governments are working on new climate agreements.*
yleispreesens	*The environmental conference starts in March.*

OPPIMINEN JA MUUTOSTOIMIJUUS

1. **Create an AI-generated image of your future living environment.**
   - **Create an image of your own home and its surroundings in the year 2050.**
   - **Add vocabulary to the image, for example, using speech bubbles.**
2. **Upload the image to the shared learning platform.**

REFLEKTIOTEHTÄVÄ

1. **Present your image to your group in English.**
2. **Describe to the group the differences between the image and your current living environment. Use the future tense, for example:**
   - *In the future, there will be fewer trees.*
   - *In the future, I will not need a car.*
3. **Reflect on whether using AI is ethical. Why? Why not? Continue the sentences in the box with your opinion.**
4. **Read the sentences to your group.**

In my opinion, the use of AI is ethical because ....
....
....
....

In my opinion, the use of AI is not ethical because ....
