Legal Design

Dignifying People in Legal Systems

Edited by Miso Kim

Northeastern University, Boston

Dan Jackson

Northeastern University, Boston

Jules Rochielle Sievert

Northeastern University, Boston

Legal design is a rapidly growing field that seeks to improve the legal system's accessibility, usability, and effectiveness through human-centered design methods and principles. This book provides a comprehensive introduction to legal design, covering fundamental concepts, definitions, and theories. Chapters explore the role of legal design in promoting dignity, equity, and justice in the legal system. Contributors present a range of community-driven projects and method-focused case studies that demonstrate the potential of legal design to transform how people experience the law. This book is an essential resource for anyone interested in the future of law and the intersection of design and justice.

Contributors; Acknowledgements; Dedication; Figures and Tables; Foreword Martha F. Davis; Introduction Miso Kim, Dan Jackson and Jules Rochielle Sievert; 1. Dignifying law in design Miso Kim; 2.
