

Privacy Notice for **LifeFactFuture (LFF) Consortium** by Finland Futures Research Centre (FFRC), University of Turku

Who is processing data

Finland Futures Research Centre, University of Turku, www.utu.fi/ffrc
The contact details of our data protection officer: tutu-info@utu.fi

Which data do we process and for what purpose?

In the LFF project, data is being collected for research and communication purposes. This data will be utilized in work related to the construction of a future life science factory. The collected data will benefit the entire consortium and will not be used in any other context.

The purpose of **processing personal data** is to process contact information of the project stakeholders for regular newsletters as well as invitations to workshops and other events. During the project, several different events are organized for different target groups. The contact information of the persons involved in the events is stored in the register.

Sharing information

We do not share your information with anyone outside the University of Turku or University of Helsinki. In particular we do not transfer personal information collected to organizations or companies for the purpose of marketing products and services from such companies. We will not transfer personal data to countries outside the EU/EEA.

Updating and correction of information

We strive to keep any registered personal information updated at all times. We are depended on getting new information from you as the data subject.

Retention of information

The personal information you have provided to us is processed and stored for the particular purpose as long as the purpose is valid and after this for a limited time due to our purposely determined back-up and deletion routines.

Security

The FFRC and University of Turku are dedicated to protecting your personal information. We have adopted internal security policies and instructed our employees accordingly in order to comply with applicable legislation on Personal Data Protection. We have implemented appropriate procedures and security measures to protect your personal information.

Your rights as a data subject

- You have the right to request access to and rectification or erasure of your personal data.
- You also have the right to object to the processing of your personal data and have the processing of your personal data restricted.
- You have an unconditional right to object to the processing of your personal data for direct marketing purposes.
- If processing of your personal information is based on your consent, you have the right to withdraw your consent at any time. Your withdrawal will not affect the lawfulness of the processing carried out before you withdrew your consent.
- You may always lodge a complaint with a data protection supervisory authority.
