Wednesday 13 December 2023

Venue: [Haartman Auditorium, Turku University Hospital, Tyks T-hospital,
Hämeentie 11, Turku, Finland](#)

We invite researchers and professionals from various disciplines to submit abstracts for the upcoming Empowering Patient Education 15th Anniversary Symposium. This event aims to foster collaboration and knowledge exchange in the field of patient education, health promotion and citizen empowerment. This event celebrates the 15th anniversary of the annual Empowering Patient Education (EPE) course.

Abstract Submission Deadline: 30 August 2023.

Topics of interest include, but are not limited to:

- Citizen, professional and community empowerment
- Patient education
- Health promotion
- Case management and care coordination
- Health knowledge and information

Submission Guidelines:

We welcome abstracts presenting original research, case studies, and innovative approaches related to the symposium themes. Abstracts should be informative, structured, and no longer than 200 words.

Abstracts should be submitted via the following link:

<https://link.webropol.com/s/epesymposium2023>.

Clearly state the objective, methods, results, and conclusion of the study or work.

The presentation format is an oral presentation.

All abstracts will be peer-reviewed. Accepted abstracts will be included in the Abstract book, which will be shared with all the participants of the symposium. Outstanding submissions may also be considered for publication in an edited book in a publication series of the Department of Nursing Science, University of Turku.

Join us at the Empowering Patient Education 15th Anniversary Symposium in Finland to share your work, network with peers, and contribute to the advancement of knowledge in empowering patient education. Participation is free of charge. We look forward to your valuable contributions!
