A year of connection.
A future of collaboration.

Celebrating our first year of academic exchange and shared progress in nursing science, since our first meeting on 21 October 2025.

TOGETHER IN SEOUL

Across borders, closer in purpose.

Four Finnish researchers participated in the Yonsei International Conference in August 2026.

SHARED EXPERTISE / SEMINARS & EDUCATION

Gerontological nursing

Nursing ethics

CIDI 2027

01 Sharing expertise

Three professor-led webinars across both universities.

02 Advancing research

Continued progress on our joint postdoctoral research.

03 Growing our team

Prof. Riitta Suhonen and Docent Olivia Numminen joined the research project.

04 NMCS Korean translation

A project to translate the full 21-item NMCS into Korean with its original developer, Olivia Numminen.

LOOKING AHEAD / 2027

Data collection for the postdoctoral study is planned in Finland and South Korea in 2027. Opportunities for joint research in ethics and gerontology will also be explored.
