Practical Information: Reservations, Cancellations, Payment Methods, and Cleaning:

1. Reservations and getting to Seili

We kindly request that researchers, students, and groups book the aforementioned services in advance through [VisitSeili](#). This includes accommodation, catering, seminar rooms, sauna access, and guided tours. Once your booking is confirmed by VisitSeili, please feel free to [contact us](#) regarding our research facilities, laboratories, and other research-related needs.

Please be aware that only island personnel and permanent residents are permitted to bring vehicles onto the island.

2. Cancellations

Reservations for boats, research vessels, facilities, and equipment can be cancelled up to two weeks before the scheduled arrival date without any charges. If a reservation is cancelled within the two weeks leading up to the arrival date, the institute will apply a cancellation fee equal to 30% of the full agreed price. For cancellations made within 5 working days before the scheduled arrival date or later, the full price will be charged.

3. Payment methods and charge for small sales

For groups and projects, payments are accepted only via invoice, with a University-added €15 (VAT 0%) charge for small sales invoices below €100. Individual users have the option to make payments below 100€ via bank transfer to the University's bank account.

4. Cleaning in the workrooms and accommodation

Users of our facilities are kindly expected to maintain cleanliness during their use and clean up after their work is completed. This includes removing all trash and personal research equipment from the facility. In the event that a facility is left in an untidy condition, the institute reserves the right to apply a cleaning service fee of 70 euros per hour, plus 25,5% VAT.

BOAT RENTAL RULES AND ETIQUETTE:

1. Boat rental requires a personal permit from the permanent staff. Please contact Jari Hänninen, Katja Mäkinen or Petri Kinnunen well in advance (min. 1-2 working days) and during office hours (mon-fri, 08:00-16:00)
2. Please note that the minimum rental period is one full day. The boat is considered to have been in use for 2 days if, for example, the departure has been on Monday and the return on Tuesday. If a rental exceeds the period of one week, the renter must supply an insurance to cover any possible damage to the boat.
3. Overnight storing of the boat outside Seili harbour is forbidden without consent from the ARI staff.
4. It is important that both the provided rental form and the boat diary are carefully filled in with the required information soon after the rental period.
5. The boat is rented with a full tank. The staff will deliver keys to the boat if not agreed otherwise. After the rental period, both keys and the rental form should be returned to the green mailbox as soon as possible. The mailbox can be found at the door of the workshop building ("Verstas" in Finnish).
6. The boat driver is expected to have navigation experience in the archipelago. Please note that the driver is legally responsible for the boat and for the safety of everyone on the boat. All passengers on board have to follow the instructions of the driver.
7. For safety reasons, the number of people on a boat shall not exceed the limit. Maximum number of persons allowed on each boat (including the driver):
Faster 515: 6 persons
Minor Range 7600: 8 persons

NOTE! Other cargo (including dive gear) will reduce the maximum number of persons in the ratio of 70 kg = one person.

8. All people on a boat with an outboard engine have to wear a life jacket at all times.
9. It is absolutely prohibited to drive a boat under the influence of alcohol or to consume alcohol onboard.
10. For safety reasons, we ask that before each trip someone at the station will be informed about the destination and estimated time of return.
11. The driver of the boat has to clean the boat from trash etc., and remove all sampling gear after every trip. If the boat is returned significantly untidy, a cleaning fee of 25 euro/hour + 25,5 % VAT will be charged from the renter.
12. No equipment that belongs to the boat (e.g. anchor, bailer or tools) should be borrowed or removed from the boat.
13. Malfunctions of motor, groundings etc. have to be reported immediately to the ARI's service man Petri Kinnunen (Puh: +358 (0) 40 0619 967 Do-it-yourself repairs are absolutely forbidden.
14. The renter is obliged to pay all costs of any damage caused by an act of gross negligence or serious fault.

Welcome to Seili!
