

IBDP in Turun normaalikoulun lukio

katrina.Vartiainen@utu.fi

Group 1 Language A

- Finnish A
- English A
- Swedish A
- Self-taught and self-paid language A

Student can have only one language A.

Group 2

English B **HL**

French B Ab initio, SL

German B Ab initio, SL

Spanish B Ab initio, SL

Finnish B: SL, HL

Ab initio: for beginners, if you have studied the four first courses in preDP.

Group 3

Economics → no longer available as an option

BM: SL + HL

History → Global politics SL + HL

Psychology: SL + HL

Criteria for BM preDP grade 7 in social studies

Criteria for GP: grade average 7 in history.

Strong recommendation:

grade 8 in social studies, if you want to choose HL studies

Group 4

Biology SL, HL

If you are interested in biology or chemistry, you should choose the Biochemistry course (+BICH)

Chemistry SL, HL

If you are planning to study physics at DP level, you should choose the Physics 3 course (+PH3.1)

Physics SL, HL

These courses are in the 4th study period, the choice is made during the 3rd study period.

Group 5

Mathematics analysis and approaches (MAA) SL ja HL.
(MAAS, MAAH)

Mathematics, applications and interpretation (MAI) SL (MAIS)

The average mark must be at least 7 in maths (+MH).

Strong recommendation:
grade 8 in +MH

The average mark must be at least 6 in +MS

Restrictions on choices

You can have either

physics **or** global politics

chemistry **or** psychology

biology **or** BM

Choices for the DP years

After the 4th study
period
when the grades are in
Wilma.

Get inspired.
